under ANSI/ASB/Z50.2-2013 Standard Section Number 3.0 General Principles of Design, Construction and Cleaning for All Bakery Equipment. Authorization is also requested:

under ANSI/ASB/Z50.2-2013 Standard Section Number: _____

Title of ANSI/ASB/Z50.2-2013 Standard Section: _____

Is the above-designated company the manufacturer of the equipment listed?

- Yes
- No (Authorization of non-manufacturers shall require authorization by the manufacturer(s) of the equipment)

APPLICATION FOR AUTHORIZATION THROUGH THIRD-PARTY VERIFICATION

(continued)

1. The applicant understands that the issuance of an authorization for use of the BISSC Verified Symbol is based upon independent inspection that the equipment listed in the application fully complies with the current ANSI/ASB/Z50.2 Standard Section 3.0 General Principles of Design, Construction and Cleaning for All Bakery Equipment and any additional Standard Section designated.
2. The applicant further understands that when an Authorization has been issued, the legal responsibility for compliance is solely that of the holder, and BISSC will not warrant that the holder will at all times comply with the requirements of the current ANSI/ASB/Z50.2 Standard Section(s) designated.
3. It is affirmed that the applicant will maintain, for the duration of the Authorization applied for, an organized system of inspection during the manufacture and assembly of the equipment.
4. It is also affirmed that the signer of this application will abide by the rules set forth in the Policies and Procedures Governing the Baking Industry Sanitation Standards Committee (BISSC) Certification and Verification Programs.
5. It is hereby declared and affirmed that the models of the equipment listed in this application comply with the requirements of the current ANSI/ASB/Z50.2 Standard Section Number 3.0 General Principles of Design, Construction and Cleaning for All Bakery Equipment, and the current ANSI/ASB/Z50.2 Standard Section Number _____ for
